

United States Department of State

Washington, D.C. 20520

JUN -3 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement to include the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to Italy to support the Final Assembly and Check-Out Facility ("FACO") stand-up activities for the F-35 Lightning II program, for end use by the Ministry of Defense of Italy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Macmanus", written over a large, stylized flourish.

Joseph E. Macmanus
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 11-044
