Dear Mr. Speaker:

NOV 9 2011

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, to include technical data, and defense services to Turkey to support the manufacture of X200 Transmissions, Parts, Components and Accessories to be used in military vehicles.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams
