

United States Department of State

Washington, D.C. 20520

NOV 18 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, including technical data, and defense services to support the sale of fourteen (14) additional AT-802 aircraft for use by the UAE Armed Forces.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", with a long horizontal flourish extending to the right.

David S. Adams
Assistant Secretary
Legislative Affairs
