

United States Department of State

Washington, D.C. 20520

NOV 30 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement including the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the United Kingdom and India for the manufacturing and maintenance of AC and DC electrical power generating systems, motors, motor drive systems, and system control units utilized on military aircraft and ground vehicles for users in 63 countries.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written over a white background.

David S. Adams
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 11-084

The Honorable

John A. Boehner,

Speaker of the House of Representatives.
