

DTR  
United States Department of State

Washington, D.C. 20520

DEC 12 2011

Dear Mr. Speaker:

Pursuant to Sections 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Hong Kong for the manufacture of transformers, inductors, and coils for power supplies.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams  
Assistant Secretary  
Legislative Affairs
