

United States Department of State

Washington, D.C. 20520

SEP 30 2011

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export license for the export of defense articles, including technical data, or defense services that are controlled under Category I of the United States Munitions List and sold commercially under contract in the amount of \$1,000,000 or more.

The transaction described in the attached certification involves the permanent transfer of defense articles, including technical data, and defense services related to the sale of M134D-H 7.62 Gatling general purpose machine guns, accessories training and spare parts to the Secretaria De La Defensa Nacional, Mexico for ultimate use by Mexico's Federal Police.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D S Adams", written over a horizontal line.

Assistant Secretary
