

United States Department of State

Washington, D.C. 20520

DEC 15 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of defense articles, to include technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles to include technical data and defense services to The Netherlands related to Airframe Doors, Weapons Bay Doors, Engine Inlet Duct Skins and Engine Inlet Duct Assemblies of the F-35 Joint Strike Fighter aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Adams", with a long horizontal flourish extending to the right.

David S. Adams
Assistant Secretary
