

United States Department of State

Washington, D.C. 20520

SEP - 7 2012

Dear Mr. President:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement to include the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to the United Arab Emirates, Presidential Guard Command, by a U.S. company for the sale of S-70M General Purpose utility helicopters.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written over a circular stamp or mark.
