

United States Department of State

Washington, D.C. 20520

MAY 21 2012

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing assistance agreement to include the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the design, development, manufacture, production, assembly and sustainment of the C-17 Globemaster III Transport Aircraft, Wing Trailing Edge Panels and Flap Hinge Fairings for end use by a U.S. company in support of the United States Air Force.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Adams", written over a horizontal line.

David S. Adams  
Assistant Secretary  
Legislative Affairs

Transmittal No. DDTC 12-054
