

United States Department of State

Washington, D.C. 20520

SEP 20 2012

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing assistance agreement to include the export of defense articles, including technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification pertains to the export to the Saudi Arabian Royal Guard of pistols, sub-machine guns and suppressors for the direct modernization of the Saudi Royal Guard in their protection of the King of Saudi Arabia.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written in a cursive style.
