

United States Department of State

Washington, D.C. 20520

Dear Mr. Speaker:

AUG 3 - 2012

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, or defense services abroad in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, to include technical data, and defense services to Germany to support the design, development, test, integration, certification, operation, modification, maintenance, training, and initial logistics support related to the Euro Hawk Unmanned Air Vehicle System.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written in a cursive style.

David S. Adams
Assistant Secretary

Transmittal No. DDTC 12-110
