

United States Department of State

Washington, D.C. 20520

NOV 27 2012

Dear Mr. Speaker:

Pursuant to Sections 36(c) and 36 (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement for the manufacture of significant military equipment abroad and export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the manufacture and export of defense articles, including technical data, and defense services to Israel. The agreement includes the manufacture of F-16 components, parts, and related equipment for end-use by the governments of Bahrain, Belgium, Chile, Denmark, Egypt, Greece, Iraq, Israel, Italy, Jordan, Morocco, the Netherlands, Norway, Oman, Pakistan, Poland, Portugal, Republic of Korea, Singapore, Taiwan, Thailand, Turkey, and the United Arab Emirates.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Adams", written over a circular stamp.
