

United States Department of State

Washington, D.C. 20520

OCT 25 2012

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed permanent export of defense articles, including technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to a company in Spain and the Government of Kenya Ministry of Defense to support the evaluation and purchase of the M134G 7.62 mm weapon system. This will allow the Kenya Ministry of Defense to evaluate the platform's suitability to protect Kenya military forces.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written in a cursive style.

David S. Adams
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 12-134
