

United States Department of State

Washington, D.C. 20520

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services involving major defense equipment in the amount of \$25,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, to include technical data, and defense services to the United Kingdom for the Hellfire II Weapon System.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D S Adams", written in a cursive style.
