

United States Department of State

Washington, D.C. 20520

MAR 15 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export to Israel of defense articles, including technical data and defense services, associated with the redesign of obsolete parts associated with the production of tactical computers and data processing and communications systems for end-use by the Israeli Ministry of Defense.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas B. Gibbons".

Thomas B. Gibbons
Acting Assistant Secretary
Legislative Affairs
