

United States Department of State

Washington, D.C. 20520

FEB 25 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the manufacture of airframe structures for the C-130J series aircraft for end use by the United States government.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas B. Gibbons", with a long horizontal flourish extending to the right.

Thomas B. Gibbons
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 13-025
