Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export for the export of defense articles, including technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of rifles with parts and components for commercial sales in Canada.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains information submitted to the Department of State by the applicant, publication of which could cause competitive harm.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas B. Gibbons", written in a cursive style.
