

United States Department of State

Washington, D.C. 20520

MAY 23 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Greece to support the manufacture of Patriot launcher platforms, guided missile launcher electronics, components, and semi-trailers for the Patriot Air Defense system.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Gibbons", written in a cursive style.

Thomas B. Gibbons  
Acting Assistant Secretary  
Legislative Affairs
