Washington, D.C. 20520

AUG 12 2013

Dear Mr. Speaker:

Pursuant to Sections 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the manufacture of Significant Military Equipment abroad and export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the manufacture and export of defense articles, including technical data, and defense services to Canada, the Czech Republic, Germany, India, Israel, Mexico, Poland, Serbia, Turkey, and the United Kingdom. The agreement includes the assembly, design, development, maintenance, manufacture, overhaul, repair, testing, and troubleshooting of aircraft Auxiliary Power Units and their subassemblies, parts, and components for end-use by 52 countries.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas B. Gibbons".
