

United States Department of State

Washington, D.C. 20520

JUN 26 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of firearms and related components abroad controlled under Category I of the United States Munitions List in amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of M24-A2 rifles to the Colombian Ministry of Defense for use by the Joint Command of Special Operations (CCOES).

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Ur M. Jaddou", written in a cursive style.

Ur M. Jaddou
Acting Assistant Secretary
