

United States Department of State

Washington, D.C. 20520

AUG 29 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of 100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Belgium, Denmark, France, Germany, Ireland, and Portugal to support the integration, installation, technical reviews, studies, surveys, and testing related to the improved Air Defense Ground Environment (ADGE) System for end-use by NATO.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Gibbons".

Acting Assistant Secretary
