

United States Department of State

Washington, D.C. 20520

AUG 8 2013

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to an existing manufacturing license agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification authorizes the export of defense articles, including technical data, defense services, and manufacture know-how for the design, manufacture, and integration of the Weapons Bay Door Drive System for all variants of the F-35 Lightning II aircraft.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Gibbons", written in a cursive style.

Thomas B. Gibbons
Acting Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 13-111

The Honorable

John A. Boehner,

Speaker of the House of Representatives.
