

United States Department of State

Washington, D.C. 20520

AUG 8 2013

Dear Mr. Speaker:

Pursuant to Sections 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the manufacture of significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Israel to support the development and manufacture of component parts of pistols and rifles.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Gibbons".

Thomas B. Gibbons
Acting Assistant Secretary
